

Gilbert Bayonne, Soccer Instructor

I'm Coach Gil Bayonne from Amityville, NY. I'm a former professional soccer player of Haitian descent. I attended St. John the Baptist HS and played my youth soccer with Alberston Academy and NY Red Bulls. I've coached with NOGA Soccer, Soccer Xtreme, and done individual training and evaluations at DSC Talent Management as well. The game of soccer is one of my passions and has taken me all over the world. I look forward to sharing all my knowledge and experience with up and coming youth players!
